

WHO WE ARE

The Southeast Asian Comedy Collective is an AMOCAT award winning team working to upend commonly held cultural stereotypes by highlighting the diverse cultures and identities of what it means to be a person of color in America.

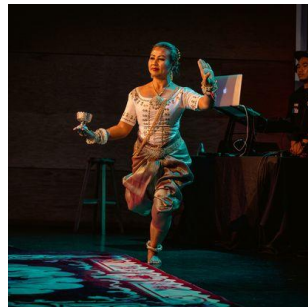

WHAT WE DO

We work with artists, venues, and production teams across the nation to produce culturally relevant and inclusive events. This includes the annual Southeast Asian New Year Comedy Celebration, Last Friday: A BIPOC Comedian and Pop-Up Kitchen Stand-Up Show, and The SEA Comedy Social.

With a variety of identities across cultures, generations, and upbringing, the collective is using our voices to share our unique experiences and perspectives with the world.

THE OPPORTUNITY

The Southeast Asian New Year Comedy Celebration is our flagship event. It is a celebration of our Southeast Asian New Year, also known as the Solar New Year. Our program features both a comedy show - with a lineup of Southeast Asian comedians both locally and nationally - and a celebration of the New Year with food, drinks, music, and community. **This will be on April 26th, 2024 at the LeMay Car Museum in Tacoma, WA.**
